8th January 2020

Dear Parents and Carers,

Spring Term Parent Information Letter

Hope you have all had a fantastic break over the festive period and looking forward to the coming spring term.

On Monday we launched our topic Fabulous Foods. The driving question that will influence all of our learning is 'Have you ever tried...?'. The children have settled well into this topic and are keen to learn more about food!

In **Literacy** this term we will be using the story of 'Supertato' to help us create our own innovative and original version of the story. In **Maths** we will be consolidating our understanding of place value, addition, subtraction and starting to learn about measurement.

Phonics is still daily and all children have made great progress so far. Children should be coming home with books from their group and are welcome to take appropriate coloured books from the library. I will be allocating time during the week for children to change their books, to ensure new books are coming home.

Reading records should be going home every day and filled out whenever you have the chance to read with your child. Reading records will be collected on a Monday, if there is a problem with missing reading records please let me know.

In **PE** we will be looking at throwing and catching, using these skills in team games towards the end of term. This will take place on a Tuesday afternoon, so ensure that your child's kit is name labelled and left in school throughout the term.

The **Outcome** for this term will be on Tuesday 11th February. We would like to invite parents and carers to see the learning that has taken place across the school, alongside Class 1's work. There will be a letter to follow with more details.

I hope this letter covers any queries about the new term, if not please feel free to talk to me with any questions you may have. Thank you for your continued support and here's to another amazing term!

Miss Thomson, Mrs Chapman, Mrs Fletcher, Mrs Stanley, Mrs Gowers and Ms Coultas
