Tapestry Online Learning Journey

www.tapestryjournal.com

Dear Parents,

In Foundation we use an online learning journey called Tapestry where we can record your child's progress. Within this we upload photos, videos, observations and comments. We also then link in assessments from the EYFS curriculum. This creates a record of your child's experiences and learning during their time with us.

Tapestry is hosted in the UK on secure servers. We'd like to invite you to have access (via an email address and password) to your child's Learning Journey and, in addition to viewing our contributions; we will be encouraging you to add to it by uploading photos and comments, or commenting on observations made by us, therefore building up a complete profile of your child's learning journey whilst in FC.

Please read the policy and complete the permission form, providing the name and email address that you wish to use to access your child's profile. In September a link will be sent to you directly for you to be able to set up your own password.

If you have any questions then please do not hesitate to contact us. Additionally we will be available once school has started in September to support you gaining access and using the journal if you require any help.

We look forward to welcoming you to Harwell,

Kind regards

Mrs Wells
