4th May 2020

Dear Parents and Carers,

I hope this letter finds you well and you all had a nice weekend.

Thank you for all your support and dedication with homeschooling. It has been wonderful to see and hear about all the learning that the children have been doing at home. Lots of making and baking too!

Alongside this letter are attachments to various Talk for Writing units of work for all year groups. These units provide English work for your child/ren to do in addition to the English work within the Parent Packs or instead of it. Please do not feel that your child/ren needs to do both. They will also be uploaded onto our school website alongside the Parent Packs too.

As a school, all of our English is taught through Talk for Writing (storytelling). The children are familiar with this form of working and the techniques and strategies used within the units. Some teachers have already uploaded parts of their year group unit onto Google Classroom, however, we thought this may help and benefit all.

Again, please do not feel any pressure to get everything done. Whatever you are doing is enough and your children are safe and happy, which is the most important thing.

If you would like any further support with anything, please don't hesitate to ask via the office email and we will get back to you.

Stay safe and warm regards,

Danielle Reilly
Assistant Headteacher
Harwell Primary School
