

Dear Parents and Carers,

Lockdown arrangements

We had a very stark message from Boris Johnson last night at 8.30.

In the light of the lockdown measures in force from today, I ask you to only send your children into school **IF YOU HAVE ABSOLUTELY NO ALTERNATIVE** - a single parent key worker, two key workers or a very specific vulnerability.

We are in a national emergency and I need to protect all staff and our school community. These are unprecedented times and it seems that a very tough approach is the only way.

Best wishes, thinking of everybody.

Warm regards

Bryn Gibson
