15th June 2020

Dear Parents,

I hope this email finds you well.

I would first of all like to thank you for your response to the google form last week. I appreciate that it is difficult signing up for something when you do not know what it will look like.

Unfortunately, it was impossible to create a plan until we knew the numbers that we would be planning for.

As you will know we have successfully brought back Foundation, Year 1 and Year 6 using a rota with each bubble in school for two days a week.

Given the number of responses, it is currently looking likely we will be able to scale the model up - but that will take us to capacity given the current guidelines.

It is likely that we may need to split and combine some year groups. This will enable siblings to be in on the same day and to use the space and staff as effectively as possible.

It will take a significant amount of logistical planning but I believe it is possible to achieve while keeping the children, staff and community as safe as possible.

I hope to be able to give you further details later this week, once plans are finalised.

Warm regards,

Bryn Gibson
